ORGANIZATION OF CITY GOVERNMENT.

Tuesday, January 1, 1918.

The members of the city government for the municipal year of 1918, having met for organization, agreeably to the provisions of the city charter, the convention was called to order by His Honor Mayor Eames, at ten o'clock in the forenoon.

Hon. Herbert E. Fay announced that George H. Eames, Jr., having been officially notified of his election to the office of mayor for the current municipal term, was present for the purpose of taking the oath of office. The oath of office by law prescribed was administered to the mayor-elect, George H. Eames, Jr., by Hon. Herbert E. Fay, who then introduced him to the Aldermen and councilmen and to the citizens who were present.

After roll-call by the clerk, His Honor Mayor Eames administered the oath of office to the following named members of the boards of aldermen and councilmen, to wit:

BOARD OF ALDERMEN.

Ward 1.—John H. Simpson.
Ward 2.—George W. Sargent.
Ward 3.—Harry B. Muchmore.
Ward 4.—Frank D. Morgans.
Ward 5.—Charles A. Robinson.

BOARD OF COMMON COUNCIL.

Ward 1.—Ora C. Mason.
Waldo W. Buckminster.
Benjamin P. Hopkins.

Ward 2.—Elbridge H. Ingalls.
Harry C. Tenney.
Charles A. Madden.

Ward 3.—Arthur M. Russell.
Charles E. Adams.
(James F. Dodge, elected March 12).

Ward 4.—Carl G. Beverstock.*
Philip H. Faulkner.
Renouf Russell.

Ward 5.—Roy V. Whitney.
Willie A. Dodge.
Fred O. H. Hamblet.

Prayer was then offered by the Rev. David P. Gaines, as follows:

Almighty God, our Father, thou hast graciously blessed the people represented on this occasion. Thou hast given a fair place to be their home; and thy wise and tender care has through the years encompassed them about. Thou hast visited them with a bounteous material prosperity; thou hast taught them the worth of the spiritual and inspired them to cultivate the finer faculties of their being; and from time to time thou hast raised up in the midst of them to preside over their corporate life men of wisdom and integrity. And under thy unstinted favor they have reached out year after year for those things which contribute to the highest character, the best citizenship, and the keenest enjoyment of this world.

The eternal will of God is over the destiny of men; and they prosper as they walk in harmony with the divine purpose. "He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty." That we as a community may be subject to thy will and so continue to abide

in thy favor we enter upon the New Year in prayer. May we be united in pursuit of those ideals that uplift the whole of life. Vouchsafe to those to whom is entrusted the management of our civic affairs divine guidance. May their voice speak and their actions translate into deed the best conscience of those whom they represent and serve. And may they be instruments in thy hands, through whom shall be realized the hope of every heart for community prosperity in all good things.

The dawn of this year is darkly overcast by the clouds of war; and with the nation we pass under the baptism of fire. We ask that thou wilt choose our path when the way is rough and in places dark and dangerous. May the power which has blessed us bless us still. Make brave our hearts for the performance of every duty. As we are giving the choicest of our men, so may we not hold back anything that the safety of our homes and the continuance of the principles of right and liberty may require us to sacrifice.

Every material blessing, every moral advance, every inspiration to strive and to conquer in any sphere of private and civic activity we shall receive as from the hand of him who is the giver of every good and perfect gift. Amen.

After the prayer Mayor Eames delivered his inaugural address. Frank H. Whitcomb was elected city clerk and Albert W. Green city messenger, and the councils then adjourned until 7.30 o'clock.

At 7.30 o'clock in the evening the common council organized by the choice of Carl G. Beverstock as president and Harry E. Gale clerk.

THE MAYOR'S ADDRESS.

Ladies and Gentlemen:

As we start the year 1918, it is with great satisfaction that I greet so many of the former members, and also, welcome the new members just entering upon their duties.

The co-operation of the 1917 government was excellent, and much was done to better conditions in our city. The same co-operation this year means efficiency in each department.

The purpose of this meeting, is primarilly, to take oath of office, to elect a city clerk and city messenger, and to adjourn until evening for the election of the other officers for the year.

However, it has become the custom to review the past year's work, at this time, and take up features of the present year's work which seem to suggest themselves. We will proceed with a brief review of the different departments.

The first thing to be noticed, it would seem, is the City Report itself, and we note the memorial page for Keene's first mayor, the late Hon. Horatio Colony, who met his death during the last year. Also in the same report, we find a resume of the public parks of Keene, by our city engineer, Samuel Wadsworth. On a map, are marked, all the trees in our parks of foreign origin, that, in years to come, their identity may not be lost to our children. For this map, with its true meridian

line marked clearly, and its list of the variations of the magnetic needle, the city, now, and in years to come owes much to Mr. Wadsworth.

The assessors have this year taken a new valuation of all property in Keene as required by law, and report these findings:

Real estate values	8,504,617
Personal property	2,455,483
Total	11,000,150

The assessors also discovered and reported an error in the tax assessment of the county for several years back, amounting to nearly seven thousands of dollars to the city of Keene, which had paid more than its share of the tax during these years, due to the fact that the treasurer took the wrong valuation for the base of his figuring. This tax matter is before the court at this time for a ruling.

Another tax matter concerns the town of Roxbury, to which, the city of Keene has continued to pay increasing assessments on land held in that town, as the land increased in value through the growth of the timber, while the law, provides, that such land, held for water privilege only, shall not be subject to tax assessment change each year. This matter is in the hands of the city solicitor at the present time.

The play ground offers a perplexing problem. It would seem that the city, with its fine Wheelock park, might arrange with the electric road to carry the mothers and children of the city, at least once, and better twice a week to this cool, delightful spot, and have arranged there a ball field for the older

boys, and swings and the like for the smaller children. In this way you have the mothers with the small children, giving both mother and child recreation, and best of all, the child has the supervision it needs. I would strongly urge that the committee, look into this matter fully, before entering into contract for additional land for play grounds for the coming year.

The board of health is now operated in a business-like way by a very competent board.

The overseer of the poor has his department on a sound basis, and has much more work to perform than was the case before this plan was worked out. But the city has a system that is worth while, in this department, where a large amount of money must of necessity be expended.

Next we come to the parks, it would seem that Wheelock park, is too woody to get the best use of same for a park; much should be removed under the direction of a woodsman, and in the rush of business this year, the minister lot and the Fairfield lot, so called, were not looked over with a view to ascertaining whether any timber should be removed from either lot, in the interest of the city. This matter was recommended last year and some definite action should be taken this year. Also Wildwood park appropriation has three years revenue on hand now, with which much improvement may be made in this park.

The street light committee of last year put in much time inspecting our shade trees in relation to the light on our streets at night, and found an interesting condition. Many of our smaller trees, set out in the last few years, have lower limbs now which shade the lights to such an extent, that it has been found on many streets that a moderate trimming of these limbs has made such a difference that new lights petitioned for have been unnecessary. This work is being carried on under the direction

of the street light committee and the superintendent of streets. It will be of some interest to you no doubt, to know that the city of Keene has been extremely liberal, in the matter of granting lights for a good many years back, as will be seen by comparing our expenditure with that of other cities of our size in this state.

The police department has had a very expensive year, as we might expect, due to the unusual calls made upon it, doing state and federal work in connection with the general war work, and in looking up slackers. It might be interesting to you to know the comparative cost of our police with that of other cities and towns near our size. These figures are taken from reports from clerks of these towns and cities:

Brattleboro, Vt., $2,807.70.
Greenfield, Mass., $11,800.00.
Dover, $15,200.00.
Keene, $11,300.00.

The fire department has had a very successful and busy year, having thirteen bell alarms and seventy-eight still alarms, showing that our new motor apparatus, which has worked so well since its arrival, will be of great assistance, both for quick protection, and in the saving of horses. There is a need of having men handy in case of alarm to go on the motor apparatus. This matter will be brought to your attention later, as will the need of hose which the engineers call attention to in their report. This is one thing that should not be neglected, as it is the most vital link in our fire protection.

The water works department has had a fairly busy year, with a small crew of men, building additions to the lines for new houses and factories and laying the West street drain from the bridge westerly to Pearl street. The department has been

short of the different sizes of pipe at times, in common with other departments in other cities.

The highway department has been very busy this year, having also been hampered by labor scarcity, but much good work has been done. Lower Main street was fixed in fine shape in conjunction with the state, thereby getting considerable filling for our new sidewalk on east side of street and getting the abutments on east side of the Main street bridge relaid and extended out, so that a foot bridge can be put on at small expense in the near future. West street macadam was relaid this year and sidewalk fills made on both sides of the street; Main street resurfaced on east side from Mr. Fletcher's to Marlboro street. Many culverts were found to be partially or wholly blocked by side walls caving in and the same have been relaid at some expense, but in a permanent way. Many bridges, as usual, needed replanking and the highway committee feel that they should acquire a lot of planking and have on hand dry planking at all times, by the use of which the floors would last probably ten years, but with green plank, they last less than five years in many cases.

The committee on streets, the superintendent of streets, and the mayor, of the past year, have come to the firm opinion, after careful consideration, that the money appropriated by this year's councils, should be expended on the roads and streets about town. When we take on new state road work, it takes the best part of the summer and the best part of our money to complete same, and when the tax payers who have small jobs which should have attention, apply for same, we have neither time nor money to attend to all the cases in hand.

The only way to fix our streets up in best of conditions is, in our opinion, to take one year for this purpose.

At the beginning of the year nearly all the tools belonging to the city in the highway department were found to need repairing or replacing, the crusher was in bad shape, the roller none too good, and so forth. It took considerable money to place these things in shape, but today they are ready to work, and fixed in permanent shape.

The patrol system was studied this last year to quite an extent and an additional man would have been employed, shortening up some of the routes considerable, had there been money available for same.

We now come to the finance committee's report, a few items of which I wish to call your attention toward: In the way of payments for 1918 we have the following coming due:

Water bonds	$5,000.00
Land improvement bond	$3,000.00
Highway improvement bond	$3,000.00

This might seem to you to be a small amount of bonds to mature in one year, but upon looking further you will note that the tax payers of our city have to begin this year upon the new high school bonds, paying a $10,000 bond this year, and also have a $6,000 note to pay for the Wheelock school alterations.

You will note that this city government has use for all the money asked for by the finance committee, and that we must, as a board, look well to the needs of our citizens, remembering all the time, that the people of our city, in common with those

of our country, have never had as many calls for money as they have this year, and they have every reason to expect that you will handle the city's finances in such a way that they will not have a heavier tax than necessary.

That section 4 of chapter XXXIII of the city ordinances be so far modified that the same as amended shall read:

Sect. 4. The city messenger shall receive in full for his services, and all the duties appertaining to his office, the sum of seven hundred and fifty dollars per year, payable in equal monthly payments.

Passed Feb. 21, 1918.

AN ORDINANCE amending chapter V, section 7, city ordinances.

Be it ordained by the City Councils of the city of Keene, as follows:

That section 7 of chapter V, city ordinances, be and hereby is so amended that it shall read as follows:

Section 7. Money received on account of the water department and the sewer department, whether from the collection of water rates, or in payment for labor done by the water department and the sewer department or in payment for property or the use of property belonging to the water department or the sewer department, shall be paid weekly or oftener into the city treasury, and shall be placed to the credit of the water and sewer departments; and shall be and constitute an appropriation for the payment of the ordinary expenses of the water and sewer departments, the interest and principal of water and sewer bonds or loans, the expense of new construction in the water or sewer departments and of additions to the water or sewer department plant, and any other expenses strictly on account of and for the purposes of the water and sewer departments.

All money, however, received from the sale of wood and timber growing on, or cut from lands connected with the water works and all money received from the sale of land connected with the water works shall be applied to reduce the general funded debt of the city.

No part of such money except as above provided, shall be transferred into the general fund of the city, or used for any other purpose whatever than in this section is provided, except that when a special appropriation out of the general fund of the city shall have been made to meet a temporary deficiency in the appropriation herein provided for water and sewer department uses, the amount of such special appropriation shall be repaid to the general fund from the water and sewer department appropriation as soon as such appropriation shall be adequate to permit of such repayment, and provided also that when there is no outstanding water or sewer debt in the form of water or sewer bonds or loans, an amount not exceeding four per cent per annum upon the original cost of the water or sewer works, including real estate held for the protection of the water supply, dams, reservoirs, water mains, water and sewer pipes and all pipes and all of the water works plant and sewer system of a permanent nature of whatever description, less, however, the cost of any new construction in that year, may be transferred annually by vote of the city councils from said appropriation into the general fund of the city. The original cost of the water works prior to January 1, 1910, shall be taken to be $307,338.35 and the cost of the sewers. Whenever it shall become evident that the revenues from the water and sewer department are more than sufficient to meet all the expenses provided to be paid therefrom by the provisions of this section and to keep a reasonable fund in the appropriation for contingent expenses, it shall be the duty of the joint standing committee on water works, sewers and drains to reduce the tariff of water rates, so that said revenues shall correspond as nearly as may be to the requirements of

such appropriation, provided, however, that such tariff shall not be reduced below a point where the net revenues from the water and sewer department above the cost of maintenance, not including new construction, shall amount to four per cent per annum, upon the original cost of the entire water works and sewer plant as defined in this section. Said committee, as there may be occasion therefor, may from time to time readjust said tariff. Any tariff of water rates at any time in force in said water department may, however, be altered or amended by resolution of the city councils.

Passed Feb. 21, 1918.

A JOINT RESOLUTION relating to maintenance of highways.

Resolved by the City Councils of the city of Keene, as follows:

That the sum of $2,210.00 be and hereby is appropriated for the maintenance of trunk lines and the sum of $75.00 for the maintenance of State aid roads, in connection with like sums to be applied by the State of New Hampshire.

Passed March 7. 1918.

A JOINT RESOLUTION relating to wood and timber in Roxbury.

Resolved by the City Councils of the city of Keene, as follows:

That a special committee comprising the mayor, superintendent of water works, superintendent of streets and the chairmen of the lands and buildings, the water works committees and Councilman Mason be and hereby is appointed to in-

vestigate and report as soon as possible a plan for the disposal and selling of such wood and timber as may be advisable on the property in Roxbury and at Goose Pond now owned by the city of Keene.

Passed March 7, 1918.

Keene, N. H., March 8th, 1918.

To the City Councils, Keene, N. H.
Gentlemen:

By the will of Charles H. Stone, late of said Keene, deceased, the following provision was made:

"I give and bequeath to the City of Keene, as trustee, in trust to hold, manage and invest the same and use the income therefrom in the proper care and maintenance of my lot in Woodland cemetery in said Keene, the sum of two hundred dollars ($200.)"

As executrix of said will, I am now ready to pay the said fund to said City of Keene and request that the bequest be accepted.

Hattie M. Graves, Executrix.

A JOINT RESOLUTION relating to the Charles H. Stone cemetery fund.

Resolved by the City Councils of the city of Keene, as follows:

That the city of Keene, by its councils, hereby accepts the Charles H. Stone cemetery fund of two hundred dollars, in trust, nevertheless, the income only to be used in the care of Lot No. 12 in section 11 Woodland cemetery; for which the city clerk shall receipt and which the trustees of trust funds shall invest in accordance with the provisions of the laws of New Hampshire.

Passed March 21, 1918.

Keene, N. H., March 21, 1918.

To his Honor the Mayor and City Councils of the City of Keene:

The undersigned respectfully asks for your consideration in the matter of an appropriation of the sum of seven hundred and fifty dollars ($750) to be used for the services of a city garden supervisor.

The outlook in Europe at the present time is at its best, far from encouraging, and there is absolute need for America to furnish all the food she needs for herself, her fighting men at the front as well as those of her allies. "Food will win the war" really means far more to those vitally engaged in food production, than it does perhaps to those not so closely affiliated. No seed, fertilizer, land or time should be permitted to be wasted. All are scarce and in great demand and in order to make Keene self supporting, as well as doing her bit for the State all food possible must be raised, economically and all time and energy must be judiciously spent. To meet this end we ask for your very careful consideration in this most vitally important matter.

Very truly yours,

Emergency Food Committee for the City of Keene.

A JOINT RESOLUTION relating to city garden supervisor.

Resolved by the City Councils of the city of Keene, as follows:

That the sum of seven hundred and fifty dollars ($750) be and is hereby appropriated for the salary and necessary expenses of a city garden supervisor, whose duty it shall be to render advice and generally direct work in connection with increased food production within the city of Keene.

Said city garden supervisor shall be under the direction of such person as the mayor shall name.

Passed March 21, 1918.

A JOINT RESOLUTION relating to a motor sprinkling cart.

Resolved by the City Councils of the city of Keene, as follows:

That a special committee consisting of the mayor, superintendent of streets, and the joint standing committee on highways be appointed to investigate and purchase a motor sprinkling cart not exceeding five thousand dollars in value, and the said sum or as much thereof as may be needed is hereby appropriated for said purpose.

Passed April 4, 1918.

A JOINT RESOLUTION relating to a motor truck.

Resolved by the City Councils of the city of Keene, as follows:

That the joint standing committee on water works, sewers, and drains be empowered to purchase for the water works, sewer and drain department a truck and are authorized to expend the following amounts:

Ford roadster,	$501.44
Truck body,	50.00
	$551.44

Passed April 4, 1918.

Keene, N. H., March 27, 1918.

To the City Councils:

The undersigned desire to add to the George W. Ball ceme-

tery fund, in trust, however, the sum of forty-nine dollars and eighteen cents, for the purposes of said trust.

Helen A. B. Taft,
Emma B. Eastman.

A JOINT RESOLUTION relating to the George W. Ball cemetery fund.

Resolved by the City Councils of the city of Keene, as follows:

That the city of Keene, by its councils, hereby accepts an addition to the George W. Ball cemetery fund, of forty-nine dollars and eighteen cents, in trust, however, for the purposes of said trust fund. The city clerk shall receipt for said sum, which shall be invested by the trustees of trust funds in accordance with the provisions of the laws of New Hampshire.

Passed April 4, 1918.

Keene, N. H., April 18, 1918.

To the City Councils of the City of Keene.

Gentlemen:—The heirs of the late George H. Tilden, through Robert T. Kingsbury, hereby petition your honorable body to accept the sum of one hundred dollars ($100.00) to be invested by the city, and the interest thereof to be used for the perpetual care of the George Tilden lot in Greenlawn cemetery.

Robert T. Kingsbury.

A JOINT RESOLUTION relating to the George H. Tilden cemetery fund.

Resolved by the City Councils of the city of Keene, as follows:

That the city of Keene, by its councils, hereby accepts the

George H. Tilden cemetery fund of one hundred dollars, in trust, however, the income only to be used in the care of the George H. Tilden lot in Greenlawn cemetery. The city clerk is hereby authorized to receipt for said fund, which shall be invested by the trustees of trust funds in accordance with the provisions of the laws of New Hampshire.

Passed April 18, 1918.

Keene, N. H., April 18, 1918.

To the City Councils of the City of Keene.

Gentlemen:—The heirs of the late Albert Kingsbury through Robert T. Kingsbury, hereby petition your honorable body to accept the sum of one hundred dollars ($100.00) to be invested by the city, and the interest thereof to be used for the perpetual care of the Albert Kingsbury lot in Greenlawn cemetery.

Robert T. Kingsbury.

A JOINT RESOLUTION relating to the Albert Kingsbury cemetery fund.

Resolved by the City Councils of the city of Keene, as follows:

A JOINT RESOLUTION relating to street sprinkling.

Resolved by the City Councils of the city of Keene, as follows:

That the joint standing committee on streets be and it is hereby authorized and instructed to cause to be watered or otherwise treated for the prevention of dust, during the current year, such public streets and places as they, in their discretion, may deem judicious.

That the superintendent of streets be and he hereby is instructed to furnish said committee with three pairs of the city's horses and drivers therefor, for the purpose aforesaid; but said horses shall always be at the absolute disposal of the proper authorities whenever required for the use of the fire department.

That the board of mayor and aldermen be and hereby is authorized and instructed to assess upon each estate abutting upon the streets and places so watered or treated in 1917 the sum of two dollars to cover the cost of such watering or otherwise treating, and to certify the amount of such assessments upon each estate so assessed to the collector of taxes, who shall include the same in the next tax bill issued for the annual tax on each of said estates, unless the same shall have been previously paid.

That such assessments shall be paid to the collector of taxes, and shall be due and payable on June first, next.

That the streets so designated, and no others, shall be watered or so treated, during the present year; provided, however, that said committee may cause to be watered, or otherwise treated for the prevention of dust, when directed by the board of mayor and aldermen, other streets, or parts of streets, whenever two-thirds of the abutters upon any given street or part of a street, shall so request in writing.

That in case the street watering service be extended as aforesaid the board of aldermen shall proceed to assess the estates of all abutters upon such streets, or parts of streets, as

hereinbefore provided, and certify the same to the collector of taxes, who shall collect the same in accordance with the provisions of this resolution hereinbefore contained.

Passed April 18, 1918.

To the City of Keene:

The undersigned respectfully represents that the late Isabella B. Merrill in her last will left in trust the sum of one hundred ($100) dollars to the City of Keene, the income of which is to be used in keeping in good order and repair her burial lot No. 315 in Greenlawn cemetery. As executor of said will I am now ready to pay over said sum to the city as soon as it indicates to me that it accepts said sum on the conditions named in said will.

Dated at Keene, N. H., this twentieth day of November, 1918.

Clifford L. Sturtevant, Executor.

A JOINT RESOLUTION relating to the Isabella B. Merrill Cemetery fund.

Resolved by the City Councils of the city of Keene, as follows:

That the city of Keene, by its councils, hereby accepts the Isabella B. Merrill Cemetery fund of one hundred dollars, in trust, however, the income only to be used in the care of her burial lot in Greenlawn cemetery numbered 315. The city clerk is authorized to receipt for said fund, which shall be invested by the Trustees of trust funds according to law.

Passed Nov. 21, 1918.

A JOINT RESOLUTION of appreciation.

Resolved by the City Councils of the city of Keene, as follows:

That the City of Keene hereby desires to express its gratitude and the thanks of the public to all those who in many ways supported the authorities in the recent scourge of influenza. By unselfish service in the care of the sick, in providing food, in doing cooking, in furnishing money and needed articles, all these have merited the praise of the city government and the thanks of the people.

Their names are not here enumerated, but they are known to the board of health and to the patients and families more nearly benefitted by this noble service in the cause of humanity. We have reason to be proud of this spontaneous outpouring of benefits and of those citizens who manifested such a deep interest in the public welfare.

Passed Nov. 21, 1918.

A JOINT RESOLUTION relating to Quarantine Expenses.

Resolved by the City Councils of the city of Keene, as follows:

That in addition to the sum heretofore appropriated the sum of thirty-five hundred dollars be and hereby is appropriated for the expenses of quarantine the present year.

ITEMS OF INTEREST.

The Keene Water Works were established and have been extended from time to time by authority of a charter from the legislature of New Hampshire, granted July 3, 1861, and amendments thereto dated June 24, 1868.

The first contract was made with the Patent Water and Gas Pipe Co., of New Jersey, Sept. 3, 1868.

Water was let into the system November, 1869.

1872.

Beech Hill reservoir was built and connected with the system.

1882.

The Waring system of sewers was adopted and turned over to the city in 1883.

1886.

The Roxbury supply was brought into the city via Beech Hill.

1890.

The first meters were installed.

1891.

Ten and one-half miles of cement lined pipe were replaced with cast iron. There remains in service (1916) 7,047 feet in Court St., 400 in Roxbury St., and 186 in West St.

1902.

Additional water from Roxbury was brought into the city via South Keene.

1908.

The Board of Water Commissioners was abolished by the city councils.

1910.

The dam at Echo Lake was rebuilt, raising the water in the lake six feet.

REPORT OF CITY MESSENGER.

To His Honor the Mayor and Gentlemen of the City Councils:

I submit my report as city messenger and janitor of city hall building for the year 1918:

Receipts for rental of city hall for the year ending December 1, 1918, amount to the sum of nine hundred and twenty-three dollars and twenty-five cents. This amount has been deposited with the city treasurer and vouchers for the same turned over to the city clerk.

The free use of city hall for patriotic purposes during a time of war makes it impossible to give a fair estimate of its yearly earning capacity. Many engagements for the hall by travelling companies were cancelled in the last three months on account of the late epidemic in our city. Local productions are always well patronized and many of our citizens have requested that the scenery be repaired. This should be attended to. I would recommend that the work be done in the summer months when the hall is seldom used.

I wish to thank Mayor Eames and members of the city government for the helpful advice and the many courtesies extended to me this year.

Respectfully submitted,

CHARLES S. WRIGHT,

City Messenger.

December 2, 1918.

REPORT OF PARK COMMISSIONER.

Keene, N. H., Dec. 5, 1918.

To His Honor the Mayor and Gentlemen of the City Councils:

Much needed work of pruning trees and clearing out underbrush in Wheelock Park was commenced early in the summer and about half the area was quite thoroughly gone over. It is planned to finish this work another year if labor becomes available. Many of the trees have been labeled, giving their common and botanical names. A complete list of those to be found in this park follows:

Silver Maple	*Acer saccharium*
Sugar Maple	*Acer saccharum*
American Linden	*Tilia Americana*
Shagbark Hickory	*Hicoria ovata*
Butternut	*Juglans cinerea*
Chestnut	*Castanea dentata*
Clammy Locust	*Robinia viscosa*
Lombardy Poplar	*Populus nigra*
Trembling Poplar	*Populus tremuloides*
Large Tooth Poplar	*Populus grandidentata*
Bird Cherry	*Prunus Pennsylvanica*
Swamp White Oak	*Quercus platanoides*
Chestnut Oak	*Quercus Prinus*
White Oak	*Quercus alba*
Red Oak	*Quercus rubra*
Post Oak	*Quercus minor*
Bur Oak	*Quercus macrocarpa*
Pin Oak	*Quercus palustris*
Scarlet Oak	*Quercus coccinea*

Canoe Birch	*Betula papyrifera*
American White Birch	*Betula populifolia*
European White Birch	*Betula alba*
White pine	*Pinus strobus*
Red Pine	*Pinus resinosa*
Scotch Pine	*Pinus sylvestris*
Grey Pine	*Pinus divaricata*
Mugho Pine	*Pinus montana*
Norway Spruce	*Picea excelsa*
Weeping Spruce	*Picea Breweriana*
Red Spruce	*Picea rubens*
Blue Spruce	*Picea Parryana*
Balsam Fir	*Abies balsamea*
Balsam Fir	*Abies Fraseri*
White Fir	*Abies concolor*
Tamarack	*Larix Americana*
Hemlock	*Tsuga Canadensis*
Arbor Vitae	*Thuya occidentalis*
White Cedar	*Chamecyparis thyoides*
Red Cedar	*Juniperus Virginiana*
Juniper	*Juniperus communis*

All the above, not native to this locality, have come, either from trees or seeds planted by Mr. Wheelock, the generous donor of the park.

In July the city playground was established here and it is hoped that a more extensive use will be made of the park in future for this purpose.

With the help of the superintendent of highways, Ashuelot Park has been cleared of brush, and all superfluous trees removed. A large quantity of filling also has been drawn in, and when the ground is finally brought up to a proper level, this park will be further improved by a suitable planting of trees and shrubs.

Owing to the scarcity of labor, very little work was done in Robin Hood Forest or the parks adjoining.

Respectfully submitted,

GEORGE A. LITCHFIELD.

Park Commissioner.

REPORT OF BOARD OF HEALTH.

To His Honor the Mayor and Gentlemen of the City Councils:

There were reported, quarantined and fumigated, during the year ending December first, 1918, 115 cases of communicable diseases divided as follows:

Tuberculosis,	14
Diphtheria,	8
Typhoid fever,	1
Scarlet fever,	19
Chicken pox,	49
Measles,	21
Mumps,	3

Number of deaths from above:

Tuberculosis,	3

In addition to the above more common diseases there has been a serious epidemic of influenza in the city, and during the months of September, October and November we have had approximately 900 cases, and from these cases we have had 83 deaths from influenza or pneumonia.

During the epidemic for a period of about five weeks the Board, in order to check the spread of the influenza, ordered closed the places of amusement, churches, certain businesses, and the schools.

The Board of Health also established Emergency Hospitals to care for those who could not be cared for at their homes

on account of the scarcity of nurses, and also for the purpose of preventing contagion from the more severely ill.

The first hospital was opened in the dormitory of the Normal School, and there were 40 beds at one time. Later a second Emergency Hospital was opened in the house on Court street belonging to Henry W. Brown. These hospitals were opened during a period of about four weeks and treated in all 63 cases.

The Board wishes to express sincere appreciation of the great help rendered the city by those who volunteered to nurse and to help in the care of the ill in the Emergency Hospitals.

Many complaints of nuisances were received and personal investigations were made, and conditions found to be bad were corrected.

The inspection of barns and dairies have been made by the food inspector and licenses to sell milk have been issued to all applicants receiving his approval.

REPORT OF TRUSTEES OF KEENE PUBLIC LIBRARY.

To the Honorable Mayor and City Councils, Gentlemen:

The Trustees of the Keene Public library present the following report:

The library is so vital a part of the life of the community that it has been much affected by the conditions of the past eventful year. As the world war continued the call to government service has been so urgent that hundreds of our young men and women in responding have left the city, and the war work in its different departments has occupied the time and attention of all, consequently there has not been as large a patronage of the library as last year.

During an epidemic of influenza the library was closed for three weeks by orders of the Board of Health, and on account of the fuel shortage it was closed for thirteen Sundays. In spite of these conditions the circulation has not decreased as much as one would expect. Miss Saxton, the librarian, has made special effort to interest the patrons of the library by helpful suggestions in the line of reading and placing before them the best books.

Last winter the work at the library at times necessitated the assistance of two pages, later during the summer but one was needed and since October first none has been required.

The second assistant librarian, Miss Ruby M. Pomeroy ac-

cepted a position in Gardner, Mass., on May first, and Miss Emma L. Riggs of Ashfield, Mass., was engaged to take her place; so the library staff retains its strength and efficiency.

A new feature of the work this year has been the appointment of a committee on publicity, which has issued two bulletins in regard to the books acquired and the privileges extended to the public by the library.

The permanent board of trustees at a meeting held in December elected Mr. John J. Colony to fill the place on the board made vacant by the death of his father, Hon. Horatio Colony.

Throughout the year books have again been received and forwarded to the War Libraries. Several interested citizens offered their services and helped in the packing and funds to meet the city's quota for the November drive for United War Work campaign in behalf of the American Library Association are provided by the Keene War Chest.

For further information and statistics see the librarian's report hereby appended.

MARY A. A. PRENTISS,
Secretary.

REPORT OF LIBRARIAN.

To the Board of the Trustees of the Keene Public Library:

The report of the librarian for the year 1917-18 is herewith submitted:

A library always feels the conditions of the times, and reflects them in its work and circulation. In times of business depression when men are idle and work hard to obtain, the library is the Mecca of many who had not previously sought its doors, for there is to be found warmth, light and amusement free. On the contrary when the times are prosperous, wages good, and every one occupied, the library is not such a busy place. So during the last few years the libraries have not been living apart from the great events of the times. As always, they have supplied books and papers on the interests of the day, but they have taken a great step forward and have become leaders in various patriotic enterprises: distributing food leaflets, displaying posters and recipes, and holding exhibits; indeed acting as community centers for much of the war work activity, even supplying rooms for Red Cross or War Relief headquarters (as your library did for a few months), aside from the great work which the American Library Association has given them to do in collecting funds and books for camp libraries and library service in hospitals, on ships and overseas.

The Keene library has been in line of duty to a greater or

lesser extent in the service outlined above. War books of all kinds—personal narratives, biographical and historical material concerning the countries involved, war stories, handbooks of military information, important addresses, poetry, maps, lists of pronunciation of European names, have been among the new materials ready for the occasional or frequent call. The Red Cross magazine and the Red Cross New England Division Bulletin, gifts from the local branch, the Forecast, the leading food magazine; The Official U. S. Bulletin, and The Stars and Stripes, a gift from Corporal Chester Kingsbury, have been prominently placed on the reading room shelves and have found interested readers.

In March when the A. L. A. was calling the country over for books, a committee of the trustees and the librarian organized the work in the city and with the cooperation of the Keene Evening Sentinel and business men, who contributed space in their stores for posters and the collection of books and added a note in regard to the drive to their regular advertisements in the local newspaper, popular interest was aroused and books poured in freely. These books, with several hundreds from the surrounding towns, as the Keene library had been asked by the state director to act as receiving and distributing station for this section, and those donated during the summer and fall have been sorted, mended when necessary and prepared for the camp libraries, by pasting in book-plates, pockets and making shelf-list and readers' cards, and packed in the library work room under the direction of the librarian and assisted by many helpers, chiefly young people from the high school, who, under the leadership of Misses Hilda Litchfield and Catherine Norwood, accomplished the task both quickly and well. It is a pleasure thus publicly to acknowledge this help and to thank the twenty-five persons who have assisted in the work, also the four young ladies who have made scrapbooks for the camp hospital libraries. Over three thousand books have been shipped since March and three dollars and

fifty-five cents realized from the sale of magazines and unsuitable books. The American Library Association's portion of the funds furnished from the war chest for the United War Work drive will be accredited to us.

Considering the stress of relief work, the prevalence of influenza, and the fuel shortage, necessitating the closing of the library for eighteen working days, you will not be surprised to learn that there has been a slight decrease in circulation, but so slight as to make it practically sure that had it not been for the closing there would have been no decrease. There have been six days when the circulation was over the largest day's count of the preceding year.

The publicity committee authorized the printing and mailing to households in which there were no borrowers, a card stating facts about the library. It is impossible to tell just how much this may have increased our patronage, but it is perhaps significant that when so many of the accustomed users of the library have been so much occupied with public work as to borrow fewer books than formerly, the circulation has still reached so high a figure. Two numbers of a bulletin have also been issued. This, it was felt, was needed as information to the patrons in regard to new books and as an aid in selection.

The file of registrations has been accumulating since the fall of 1911 and a new registration was begun in September, which now numbers 1,445 present borrowers.

The staff is small for the amount of work required to serve the public promptly and adequately, so that it will be necessary again this winter, as last, to have pages to take care of the book-room. The arrangement proved satisfactory and would have been continued but one of the young men assisting left the city at the close of the school year and the other left in the fall for work which meant more to him for the future.

A duplicate of the juvenile catalog is in progress and the cards are being inserted in the general catalog that there may

be a complete record of the books in one alphabet. This will facilitate the work with the teachers and pupils of the high and normal schools especially. The children need their own catalog and some time during the year we shall need to purchase a small cabinet for it, to be placed in their section of the book-room.

The first of May, Miss Ruby P. Pomeroy, who had been second assistant for more than a year, accepted another position, and Miss Emma L. Riggs of Ashfield, Mass., who has had experience in Greenfield and Springfield, as well as in her home town, came to supply the vacancy.

A neighborhood meeting was planned and attended in Hinsdale in July for the benefit of the librarians in that region, by your librarian and first assistant. The librarian has also attended a state meeting and the annual meeting of the A. L. A., from both of which she has received much benefit through the inspiration which comes from fine speakers and the personal meeting with librarians of wide experience; also from practical suggestions.

Last year the library rules were changed to allow charging to adult borrowers two books of fiction on a card at one time, and this year have been further amended to allow also any reasonable number of non-fiction.

The junior class of the normal school has been instructed in the classification system and use of the library, as for several years; also certain classes from the high school.

A few repairs about the building will be needed during the coming year and a case for the growing picture collection. It is hoped that the board will authorize the continuation of the Bulletin and such other methods of publicity as may seem advisable. With the increased use of the library, the greater wear upon the books, the increased cost of new books and rebinding old ones, it would seem imperative that there should be an increase in the city appropriation for the new year. The children are each year increasingly needing better library

facilities and with the promise of times not far ahead when repairs and building may again be possible, it is still desirable that the trustees continue to make plans for a children's room.

REPORT OF SUPERINTENDENT OF CEMETERIES.

To His Honor the Mayor and Gentlemen of the City Councils:

Report of the cemetery department for the year ending November 30, 1918:

In common with all sections, this department has had unusual conditions to meet, and problems to solve throughout the year. The added costs of labor, and all materials, has made it seem inadvisable to attempt any development not called for as necessary.

The serious epidemic condition just past taxed this department to the utmost, but all obligations were promptly met. There have been one hundred and ninety-three interments during the year and two removals.

Thirty-five burial lots have been sold of which eight were single graves.

My receipts for the year are as follows:

Dec., 1917. Sexton work, $72.00; labor, .75; care of lots, $422.00; collected on lots sold, $110.00,	$604 75
Jan., 1918. Sexton work, $47.00; care of lots, $82.50; collected on lots sold, $14.00,	$143 50
Feb., 1918. Sexton work, $36.00; care of lots, $43.00; collected on lots sold, $10.00,	$89 00
March, 1918. Sexton work, $115.00; labor, $9.98; care of lots, $45.50; collected on lots sold, $33.00,	$203 48

April, 1918. Sexton work, $64.00; labor, $2.00; loam, $1.50; seed, .25; care of lots, $6.00; collected on lots sold, $270.00,	$343 75
May, 1918. Sexton work, $75.00; labor, $26.50; loam, $6.50; fertilizer, $3.50; seed, .25; sods, $5.00; care of lots, $64.95; collected on lots sold, $40.00,	$221 70
June, 1917. Sexton work, $79.00; labor, $4.50; care of lots, $45.00; collected on lots sold, $65.00.	$193 50
July, 1918. Sexton work, $103.00; care of lots, $9.00; collected on lots sold, $90.00,	$202 00
August, 1918. Sexton work, $74.00; collected on lots sold, $75.00,	$149 00
Sept., 1918. Sexton work, $89.00; labor, $17.00; loam, $3.25; fertilizer, $2.00; seed, $1.75; care of lots, $6.00; collected on lots sold, $121.00,	$240 00
Oct., 1918. Sexton work, $102.00; labor, $52.00; loam, $26.75; fertilizer, $2.50; seed, $3.25; sods, $3.00; collected on lots sold, $211.00,	$400 50
Nov., 1918. Sexton work, $168.00; labor, $7.00; loam, $2.00; fertilizer, $1.00; seed, .75; care of lots, $15.00; collected on lots sold, $215.00,	$408 75
Total for the year,	$3,199 93

I have deposited this amount with the city treasurer and hold vouchers for the same.

Respectfully submitted,

WALTER E. MASON,
Superintendent.

Keene, N. H., November 30, 1918.

REPORT OF CITY PHYSICIAN.

To His Honor the Mayor and Gentlemen of City Councils:

I herewith submit my report as city physician for the year 1918.

By order of overseer of poor—I made 15 calls.

Police department—I made 7 calls and 6 office calls.

Board of Health—I made 24 calls on patients under quarantine for contagious disease and vaccinated 31 children.

JOHN J. BROSNAHAN,
City Physician.

Keene, Dec. 1, 1918.

REPORT OF CITY PLAYGROUNDS COMMITTEE.

To His Honor the Mayor:

The 1918 playground season held at Wheelock Park from July 31 to August 25 inclusive proved a most successful venture.

The daily program consisted of a baseball game for the boys before the lunch hour, and during the afternoon both boys and girls participated in organized games and athletics.

Perhaps one of the most pleasing features of the entire season was the opportunity afforded the mothers and relatives of the children to accompany them to the park, enjoy the day's outing and yet be relieved of their care.

The average attendance was between 150 to 200 children per diem.

Respectfully submitted,

GERTRUDE K. McCUSHING.

Sept. 1, 1918.

REPORT OF CITY SOLICITOR.

To His Honor the Mayor and Gentlemen of the City Councils:

The usual criminal cases in the Municipal Court have been attended to during the past year by your solicitor.

Petitions for abatement of taxes, which have been entered by property owners in the city have received attention and are now pending in the county.

Suits have been brought in behalf of the city, one against the county and certain towns in the county looking toward recovery of overpaid taxes extending over a period of six years, another against the town of Roxbury for abatement of the taxes against the property held in Roxbury for a water supply for Keene.

Prosecutions have been successfully carried out looking toward enforcing the child labor laws, and the school attendance laws.

Respectfully submitted,

WILLIAM H. WATSON.

City Solicitor.

Keene, December 5, 1918.

REPORT OF OVERSEER OF POOR.

To His Honor the Mayor and Gentlemen of the City Councils:

I hereby submit the annual report for the year ending December 1, 1918.

There has been a larger number of calls for aid in the past year than there has been in former years, due to the very high cost of living, and the larger number of men in the service, who, when here contributed more or less to the support of their parents and relatives.

In behalf of the city and county, I want to thank the Red Cross for the very liberal cooperation it has given me in getting allotments from the Government, and for money, clothes, food, and services which it has rendered to needy families. It has been a great help to the city and county to keep the expenses of this department down to the figures below shown, which are less than they were last year. At the same time, we have tried hard to see that no deserving families suffered more than their share of hardship during the war.

During the year I have furnished aid to city and county dependents; also dependent soldiers and their families, as follows:

REPORT OF CITY GARDEN SUPERVISOR.

Keene, N. H., Sept. 30, 1918.

To the City Government of Keene, N. H.

The City Garden Supervisor respectfully submits the following report:

Twenty-three and three-fourth acres of land were plowed and allotted to 103 tenants as follows: Eight on Mr. Cole's land, eighteen on Keene Development land, sixteen on Mr. Lane's land, thirty-five in the Wilkins Toy Co. group, twenty-two on Faulkner & Colony land, one on Mrs. Holbrook's land, and three on Norwood & Calef land. Quite a number more would have cultivated land if we could have found it near them.

This land was all given free of charge, the only expense being for plowing and harrowing.

It has been a rather bad season for gardening, severe frosts doing serious damage to nearly all crops June 20th and again Sept. 15th frosts occurred killing most crops and injuring others.

Insects and disease have been unusually common and persistent. Potato beetles were quite common but by the frequent use of the different insecticides, were controlled very successfully. The Aphis gave a lot of trouble and were hard to control being on the under side of the leaves where they were hard to reach when the leaves were close to the ground, and a con-

tact poison being necessary to kill them. Potatoes, peas, turnips, cabbages, and cucumbers were ruined in some cases by these insects.

In certain localities, the rose chafer did quite a lot of damage to all garden crops even attacking fruit trees in some cases. There were a few complaints of corn root worm and corn stalk borers attacking corn, potatoes, beans, and sunflowers. The striped beetle did some damage to all of the melon class. Peas were destroyed in some gardens by a soil fungus and potatoes on some soils were attacked by a soil fungus identified by Prof. Butler as Rhizoctonia, no remedy being known.

There were some infections of anthracnose on beans but did very little damage here, although very serious in some parts of the state. Turnips were so weakened from the effects of the plant aphis that blight attacked and killed most of them. The early blight caused some damage to potatoes, but not nearly as much as the late blight, only a few plats which were sprayed often escaping this.

There was quite a demand for spraying material, many failing to be able to get the proper material when needed.

There have been 983 calls at the office for information and I have visited at the request of the owners 308 gardens outside of the regular groups, which were inspected on an average of 63 gardens per day.

REPORT OF CHIEF ENGINEER OF FIRE DEPARTMENT AND SUPERINTENDENT OF FIRE ALARM TELEGRAPH.

To His Honor the Mayor and Gentlemen of the City Councils:

As required by the city ordinance governing the fire department, I herewith submit my report for the fiscal year ending November 30, 1918.

The department has responded to the following alarms: 19 bell alarms and 98 still alarms, 2 brush fire calls, 2 calls for searching parties, 2 false alarms, Nov. 11th, and 1 call to County Farm at Westmoreland.

The estimated value of buildings damaged by fire was	$99,250 00
Damage to buildings was	5,552 32
Insurance on said buildings was	52,700 00
Insurance paid was	5,052 32
Value of contents of said buildings was	64,800 00
Damage to said contents	10,752 02
Insurance upon property was	36,425 00
Insurance paid	9,385 24

Apparatus and force: The apparatus and force of the department under a chief and three assistant engineers, located on Vernon street, is as follows: The Keene Steam Fire Engine and Hose Company, J. H. Simpson, Captain, 25 men, has

Steamer No. 1, Button Steamer No. 2, one combination chemical and hose wagon, one relief hose wagon, the motor combination truck with equipment comprising two 40-gal. chemical tanks, two 3-gal. extinguishers and carrying 900 feet of fire hose, 250 feet chemical hose, 2 ladders and other necessary equipment; Washington Hook and Ladder Company, M. J. Carey, Captain, 20 men, has one service truck and one relief truck; Deluge Hose Company, E. H. Applin, Captain, 20 men, has one combination chemical and hose wagon. Our motor truck continues to give excellent service. We have on hand about 7500 feet of No. 1 hose, 1500 feet linen hose at South Keene, 1000 feet of No. 2 hose, which is unfit for fire service: 100 feet have been turned over to the Highway Department and 300 feet to the water works department.

Recommendation. The Board of Engineers recommend that the city purchase 1000 feet of fire hose; also a much needed life net.

The fire alarm telegraph system, in care of Mr. E. B. Riley, the fire alarm electrician, continues to give excellent satisfaction. A new box, No. 151, has been installed at the corner of Winchester and Blake streets, and a new box No. 119 on Congress street, opposite the A. E. Martell Co. factory. At the present time we have three paid men in charge of the motor truck and fire alarm. I would recommend that this force be increased to four men.

To the Mayor, and members of the joint standing committee on fire department, the members associated with me on the board of engineers, officers and members of the department, and to the public, I cordially extend my sincere thanks and appreciation for the liberal aid and generous support rendered me during the past year.

LOUIS A. NIMS,

Chief Engineer and Superintendent of Fire Alarm Telegraph.

Keene, December 6, 1918.

The following signals were adopted by the board of engineers, January, 1907:

1. The superintendent has the right to strike one blow

upon the bells at any time, to test the circuit; also to ring in one round from any box, preceded by a single blow, exactly five minutes after the noon stroke, on Saturdays, for the purpose of testing the boxes.

2. In case of a serious fire the engineers may cause a second alarm to be sounded from the nearest box. A second alarm is given by striking ten blows, followed by the box number.

3. As Box 9, which is located on city hall, is still likely to be used for general alarm, and to be pulled for a fire which is not in or near the square, the engineers will ring in a second alarm, or four full rounds, from this box if there is fire of any magnitude near the square.

4. The old alarm on city hall will only be rung between 9 p. m. and 6 a. m. except in case of serious fire.

5. Arrangements have been made with the Beaver Mills Company and alarms of fire will be given on their whistle the same as by the bells.

NO SCHOOL STORM SIGNAL.

Three (3) blasts, (approximately 5 seconds long at 3 seconds intervals) on steam whistles at Impervious Package Co. and Keene Wooden Ware Co. or C. L. Russell Chair Co.

In stormy weather, notice to be telephoned from Normal School Office, as follows:

8.05 a. m. Signal—No forenoon session.

1.05 p. m. Signal—No afternoon session.

11.05 a. m. Signal—One session. Grades above the second will remain at school until one o'clock.

REPORT OF CITY AUDITOR.

To His Honor the Mayor and members of the City Councils:

I have examined the notes, bonds, deposit books and other securities belonging to the city in the hands of the city treasurer and the trustees of trust funds, and find the same correctly set forth in the proper schedules to be printed in the annual report. I have also examined the books and vouchers of the several officers and find that their collections and deposits for the year ending November 30th, 1918, were as follows:

	Collections.	Deposits.
